

MODERN ART MASTERS

Until July 23, Galleria Torbandena of Trieste presents, in the rooms of via Tor Bandena 1, a selection of works coming from important private collections.

In the exhibition paintings and sculptures by PABLO PICASSO, JOAN MIRO', UMBERTO BOCCIONI, HENRY MOORE, CARLO CARRA', MARINO MARINI, HANS HOFMANN, ANDY WARHOL, GEORGE GROZ, LYONEL FEININGER, ARTURO NATHAN, EDO MURTIC, MASSIMO CAMPIGLI, JACQUES VILLON, ROBERTO MATTA, MARCELLO MASCHERINI, ZORAN MUSIC and MIQUEL BARCELO'.

Maybe the most important painting is a *Landscape* painted in 1913 by GIORGIO MORANDI: one of the five, rare landscapes of that year. A picture exhibited in all the anthological and retrospective exhibitions dedicated to the great artist.
